

## **Covid-19 Precautions at Presto Valet**

At Presto Valet, a top priority is the safety of our customers and employees.

**GreenEarth Cleaning, which we use at Presto Valet, is the best dry cleaning solution currently available to kill bacteria and viruses such as the coronavirus because it has the highest flashpoint (170 degrees F). This means that we can clean and dry your garments at temperatures well above the minimum 158 degree F threshold that the World Health Organization (WHO) indicates will inactivate viruses.**

**For your convenience, Presto Valet now offers both drop-chute and curbside options. You may use our free “Drop & Go” bags to deposit your items in our 24/7 drop chute (on the side of our building) — OR — you may call ahead for curbside drop-off and pick-up service at our front door.**

### **We have instituted the following special Covid-19 protocols:**

- Our new store hours during this crisis will be 9 AM - 5 PM, Monday - Saturday, starting Monday, March 23, 2020.
- Employees will not come to work if they feel ill or exhibit symptoms of a cold, flu, or virus.
- Employees will wash their hands thoroughly at appropriate times.
- Employees will wear gloves when handling incoming garments, credit cards, and money.
- Employees will have access to hand sanitizers and wipes.
- Employees will cover their coughs/sneezes with a tissue or their sleeve/elbow.
- Employees will not share food, drinks, or eating utensils.
- Frequently touched surfaces and objects will be sanitized multiple times each day.
- Customers will be waited on at alternate stations to provide better social distancing.

### **Here's what our customers can do to help:**

- Do not enter our store if you feel ill or have symptoms of a cold, flu, or virus.
- Do not touch or shake hands with our employees.
- Try not to touch the counters with your hands.
- Let us know if your garments have any potentially dangerous stains, such as blood, urine, feces, or other bodily fluids.
- Cover your coughs/sneezes with a tissue or your sleeve/elbow.
- Distance yourself from the other customers in the store.
